Education and Training as priority actions

A total of 2.000 hrs of training (jan-may)

10 hrs per class:

6 hrs indoor led by AciRoma (1200 hrs)

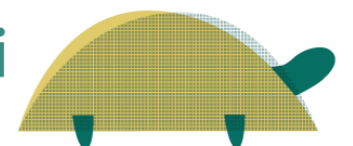

4 hrs outdoor led by FCI (800 hrs)

Pillars and Goals

- **Training continuity**
- **Different approach (kids aged 6/7 and 8/10)**
- **Interaction between students and parents**

- **Transfer the knowledge learned to the streets**
- **Consolidate safety/positive mobility behaviours as pedestrian, cyclist and pt user**

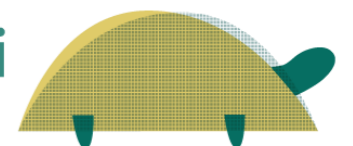

De.Si.Re the city i am dreaming of

Class activities

Each class has produced a document:

- “Things i like/Things i don’t like about the streets
(kids aged 6/7)
- “Things to do, things not to do on the streets”
(kids aged 8/10)

A total of 160 docs were subsequently evaluated by
an Ad Hoc Commission

Class activities

In May 2019 a final event was held and 9 schools were awarded

A theater play was also performed by 150 students who took inspiration by the tales «Angoli di Strada» and «La città che vorrei» made specifically for the project by the italian artist Diana di Donatantonio

The city i am dreaming of (8/10)

The near future

The goal is to reach 50 schools each year as stated in the Sump document www.pumsroma.it
In 10 years all schools should be reached in order to make road safety education integral part of the teaching activities
